Minutes
Village of Glen Ellyn
Regular Village Board Meeting
Monday, March 11, 2024
7:00 PM
Glen Ellyn Civic Center, Galligan Board Room

A. Call to Order – 7:00 P.M.

B. Pledge of Allegiance

Webelo Troop and Cub Scout Pack 158 (Nina Maturo, Pack Leader) led the Pledge of Alliance. One of the members spoke about the Pack's activities.

C. Roll Call

Upon roll call by Clerk Cosby, President Senak and Trustees Christiansen, Fasules, Kalinich, Gould, Simon, and Thompson answered "Present."

Also in attendance: Village Manager Franz, Assistant Village Manager/Community Development Director Rodman, Village Attorney Mathews, Public Works Director Buckley, Finance Director Brankin, Village Engineer Daubert, and Deputy Police Chief Vavra.

D. Audience Participation

There was no off-agenda audience participation.

E. Presentation

The Webelo Troop and Cub Scout Pack 158 presentation was leading the Pledge of Allegiance.

F. Consent Agenda - The following items are considered routine business by the Village Board and will be approved in a single vote in the form listed below:

RESULTS:	**APPROVED [6 to 0]**
MOVER:	**Trustee Christiansen [Items 1 – 6; 10 – 11; 13; 15]**
SECONDER:	**Trustee Simon**
AYES:	**Christiansen, Simon, Fasules, Gould, Kalinich, Thompson**
NAYS:	

Motion to approve the following items including Payroll and Vouchers totaling $4,999,019.77. These agenda items have been reviewed by the Management Team and Village Attorney and are consistent with the Village's purchasing policy (Trustee Christiansen).

1) Total Expenditures (Payroll and Vouchers) - $4,999,019.77

2) Motion pursuant to Section 1-10-7 of the Glen Ellyn Village Code to adopt the competitive bidding procedures of the Suburban Purchasing Cooperative in lieu of the provisions of Chapter 10 on Village Contracts and approve the purchase of one (1) Ford F-450 chassis with a Galion body package from Sutton Ford Commercial Truck Center of Matteson, Illinois, in the amount of $116,122.57 (Public Works Director Buckley)
Motion pursuant to Section 1-10-7 of the Glen Ellyn Village Code to adopt the competitive bidding procedures of Suburban Purchasing Cooperative in lieu of the provisions of Chapter 10 on Village Contracts and approve the purchase of two (2) Ford E-Transit Vans from Currie Motors Fleet of Frankfort, Illinois, in the Amount of $105,808 (Public Works Director Buckley)

President Senak asked Public Works Director Buckley about the purchase and mileage tracking. President Senak wanted to know how the mileage is tracked. Public Works Director Buckley replied and agreed to send President Senak more information on the subject. President Senak followed up with a question about the idle time that is tracked. Public Works Director Buckley replied.

President Senak asked about the savings of EV over the life of the vehicle and if an assessment of the savings versus a conventional vehicle had been done. Public Works Director Buckley replied yes and agreed to send the report to President Senak.

3) Pursuant to Section 1-10-2 (G) of the Village Code, authorize the Village Manager to execute three-year service agreements for the annual maintenance of the Cottage and Newton Water Towers with Utility Service Co., Inc., of Perry, GA, in a Not-to-Exceed Amount of $99,700 (Cottage Tower) and $171,600 (Newton Tower), for a three-year total of $271,300 to be expensed to the Water & Sewer Fund (Public Works Director Buckley)

President Senak asked if there was an assessment done of the savings for executing a 3-year agreement. Public Works Director Buckley replied. President Senak wanted to know if there was a written document to reflect the savings. Public Works Director Buckle replied yes to which President Senak requested that Public Works Director Buckley to send the document to him for review.

4) Motion to approve Ordinance 7095-VC, an Ordinance to amend Village Code 9-1- 2 (B) to assist in prosecution of traffic offenses, specifically as it relates to Driving Under the Influence offenses (Deputy Chief of Police Vavra)

5) Motion to authorize the Village President to execute a Memorandum of Agreement among the Federal Highway Administration, Illinois State Historic Preservation Officer, Village of Glen Ellyn, and Illinois Department of Transportation regarding the replacement of the Glen Ellyn Metra Station (Professional Engineer Daubert)

6) Motion to approve Resolution 24-06, a Resolution authorizing adoption of the 2024 Official Zoning Map for the Village of Glen Ellyn (Assistant Village Manager/Community Development Director Rodman)

Trustee Kalinich wanted to know if there was any guarantee that GIS consortium has done the work correctly. Assistant Village Manager/Community Development Director Rodman replied and reviewed the process involved in catching all of the changes that were required.

President Senak requested that Items 7 – 9 be pulled from the Consent Agenda for separate discussion and vote.

RESULTS:	**APPROVED [6 to 0]**
MOVER:	**Trustee Christiansen [Items 7 – 9]**
SECONDER:	**Trustee Kalinich**
AYES:	**Christiansen, Kalinich, Simon, Fasules, Gould, Thompson**
NAYS:	

President Senak asked why there was a proposed amendment to increase the budget just because the original one came in under budget. Public Works Director Buckley replied with the reasoning behind the increase. Village Engineer Daubert added his thought on the requested contract increase and that it would allow for additional patching work to be done this year. Discussion ensued about budgeting practices and execution of needed patching work.

7) Motion to authorize the Village Manager to execute a contract and execute one or more contract change orders for additional work with Schroeder Asphalt Services, Inc. of Huntley, Illinois, for construction of the 2024 Asphalt Roadway Patching Program in the amount of $200,000 to be expensed to the Capital Projects Fund (Public Works Director Buckley)

8) Motion to authorize the Village Manager to execute a contract with Schroeder & Schroeder, Inc. of Skokie, Illinois, for construction of the 2024 Sidewalk and Concrete Street Repair Program in the amount of $388,525 to be expensed to the Capital Projects Fund (Public Works Director Buckley)

9) Motion to authorize the Village Manager to reject Denler, Inc.'s non-responsive bid proposal and to execute a contract with SKC Construction, Inc. of Elgin, Illinois, for construction of the 2024 Asphalt Street Crack Sealing Program in the not-to-exceed amount of $40,000 to be expensed to the Capital Projects Fund (Public Works Director Buckley)

10) Motion to approve Ordinance 7096, An Ordinance approving an amendment to the Intergovernmental Agreement between the Villages of Glen Ellyn and Lombard regarding issuing debt on behalf of Glenbard Wastewater Authority, pending attorney review (Finance Director Brankin)

11) Motion to approve a Central Business District (CBD) Construction Impact Grant to The Joy Bar totaling $4,500 to be expensed to the Economic Development/ Marketing Account (Manager Franz)

12) Motion to approve the Community Relations Commission Diversity, Equity and Inclusion (DEI) Resource Guide (Communications Coordinator Paplauskas)

Trustees Gould and Kalinich requested this motion be removed from the agenda and rescheduled for discussed in an upcoming workshop.

13) Motion to approve Ordinance 7097-VC, an Ordinance to amend Section 4-1-2(e) of

the Village of Glen Ellyn Building Code, to adopt the International Code Council, International Energy Conservation Code 2021 Edition (Assistant Village Manager/ Community Development Director Rodman)

President Senak asked about the obligation to apply the code. Assistant Village Manager/Community Development Director Rodman replied.

14) Motion to approve Ordinance No. 7098, An Ordinance approving zoning variations to reduce the required side yard to allow the addition of a "Patio and Seating Wall and Impervious Surfaces" to an existing single-family home located at 626 Roger Road (Assistant Village Manager/Community Development Director Rodman)

Trustee Christiansen requested that Item 14 be pulled from the Consent Agenda for separate discussion and vote.

RESULTS:	**APPROVED [6 to 0] 1 of 2 sidewalk variances with impervious surface**
MOVER:	**Trustee Fasules [Item 14]**
SECONDER:	**Trustee Kalinich**
AYES:	**Fasules, Kalinich, Christiansen, Simon, Gould, Thompson**
NAYS:	

RESULTS:	**APPROVED [6 to 0] 2 of 2 sidewalk variances with impervious surface**
MOVER:	**Trustee Fasules [Item 14]**
SECONDER:	**Trustee Gould**
AYES:	**Fasules, Gould, Christiansen, Kalinich Simon, Thompson**
NAYS:	

RESULTS:	**DENIED [0 to 6] Patio and seating wall variance**
MOVER:	**Trustee Fasules [Item 14]**
SECONDER:	**Trustee Christiansen**
AYES:	
NAYS:	**Fasules, Christiansen, Kalinich, Simon, Gould, Thompson**

Trustee Gould asked about the permit from 2022 and the one requested in March, wanting clarification on what the permits were for. Assistant Village Manager/Community Development Director Rodman replied that the patio that was built was not part of the original permit. Assistant Village Manager/ Community Development Director Rodman showed a timeline of events.

Trustee Gould asked about the impervious surface that was installed at the lot line. Assistant Village Manager/Community Development Director Rodman reviewed this installation and added that the Village code does not allow this.

Trustee Gould asked if there was any other permit history on this property. Assistant Village Manager/Community Development Director Rodman replied there was not.

Trustee Gould expressed her doubt that there was a unique circumstance or hardship that would necessitate the variance to be allowed if the proper permitting process had been followed.

Trustee Kalinich wanted to look at the timeline again and asked about 3/20/23, when the feedback was provided about drainage, and who was involved in the review. Assistant Village Manager/Community Development Director Rodman replied that feedback was given to the property owner about the stormwater requirements in order to restore it to its condition prior to the patio being installed.

Scott Hootman, the petitioner, spoke in an effort to clear up any confusion. He said that the construction plans clearly showed the executed plan. He then explained the sidewalks had existed when he bought the home, as well as a concrete patio, in its configuration prior to his construction project. He explained that he thought that the plans had been approved, and that the hardship was needing to fix the existing concrete patio issue prior to changing it. Assistant Village Manager/Community Development Director Rodman gave clarification to Mr. Hootman's comments. Mr. Hootman replied.

Trustee Christiansen asked if the drainage issues had been resolved. Assistant Village Manager/Community Development Director Rodman replied they had not and would be addressed if the motion is passed. Mr. Hootman replied and added that there has been no flooding in the past 3 years since the construction.

Trustee Gould asked if the concrete pad is larger now than the one originally under the wood deck.

Trustee Thompson asked, if the petitioner and contractor would have gotten the correct permit prior to construction, would the project been allowed to be built. Assistant Village Manager/Community Development Director Rodman replied no, it would still would have needed a variance. Trustee Fasules asked if replacing what was currently built was a possibility. Assistant Village Manager/Community Development Director Rodman replied.

Trustee Thompson asked what happens if the Board denies the motion. Assistant Village Manager/Community Development Director Rodman replied.

Trustee Gould asked if the setback requirements would be the same no matter the design. Assistant Village Manager/Community Development Director Rodman replied.

President Senak stated that there are 3 variances to be considered and that there should be a separate vote on each.

15) Motion to approve a Facade Improvement Award in the amount of $30,000 and a

Fire Prevention Award in the amount of $15,000 to Brick & Mortar Glen Ellyn LLC DBA Brick & Mortar at 411 N Main Street, to be expensed to the Central Business District TIF Fund (Manager Franz)

Trustee Gould asked if there were any other specs on what the facade will look like. Assistant Village Manager/Community Development Director Rodman replied that they had submitted revised plans, approved by Community Development in July 2023.

Trustee Gould asked if Assistant Village Manager/Community Development Director Rodman felt the windows would be the correct ones. She responded that if the windows are not, Brick & Mortar will not get approval. She added that inspection would not be done until the installation is complete.

Trustee Thompson wanted to know the philosophy on how GSP escrow projects are reimbursed. Village Manager Franz replied and explained the process. There was discussion about the Walker report and it was agreed that at the end of the project, when the work was satisfactorily completed, the Village should receive a letter of completion.

G. 473 N. Main - Special Use Permit for "The Learning Studio" (Assistant Village Manager/Community Development Director Rodman) (Trustee Thompson)

RESULTS:	**APPROVED [4 to 2]**
MOVER:	**Trustee Thompson**
SECONDER:	**Trustee Christiansen**
AYES:	**Thompson, Christiansen, Kalinich, Simon**
NAYS:	**Fasules, Gould**

1) Motion to approve Ordinance No. 7099, An Ordinance approving a Special Use Permit for a tutoring center, "The Learning Studio", located at 473 North Main Street

Assistant Village Manager/Community Development Director Rodman gave a presentation about the variance being asked for due to the petitioner's business not being totally retail.

Trustee Thompson asked what the percentage of retail vs. non-retail in this plan. Assistant Village Manager/Community Development Director Rodman replied.

Trustee Gould asked if there were other locations shown to the petitioner that were in a location that did not require a variance. The petitioner had looked at two other spaces in the downtown area.

Trustee Kalinich asked for confirmation that the petitioner was told that the space was zoned for retail and might not be approved. That confirmation was given.

Trustee Christiansen asked what the C5A vacancy rate was. Assistant Village Manager/Community Development Director Rodman replied.

Katie McDevitt, the petitioner, explained why she fell in love with this particular space and how the business evolved from being exclusively a tutoring service to a hybrid service/retail opportunity. She called it a value-added business.

Trustee Kalinich asked the petitioner why she selected this space over the other two spaced she looked at. Ms. McDevitt replied about the challenges with one space and the other space did not have the electricity working at the time she saw it, which left her with negative feelings about the space.

Trustee Thompson wanted to know more about the retail side of the business - Brainy Day Box. At this point, Megan DeRoo of Brainy Day Box passed sample boxes out to the Board and spoke about her professional background and the educational product line she has developed. She explained the uniqueness of her business and how perfectly it pairs with The Learning Studio.

Trustee Thompson asked how many items would be displayed in the retail space. Ms. DeRoo replied about the variety that would be available and how children interact with her products.

Trustee Simon asked what the hours of the business would be. Ms. DeRoo replied that the hours are still being worked out, but it would be open at least 3 hours a day to start.

Trustee Gould asked if the business was operating at a location currently. Ms. DeRoo replied she currently operates out of her home. Ms. McDevitt replied that she is currently working out of the library.

Trustee Kalinich commented that she loves the concept, as well as the partnership. She was concerned about the location within the retail zone, but felt the business was fantastic.

Barb Lemme, representing the Alliance of Downtown Glen Ellyn, was concerned about the special use permits being issued and was worried about setting precedence. She felt that these particular businesses are valuable and needed, but the location is not appropriate and should be in the Village at another location. Ms. Lemme felt the space offers premium retail possibilities and needs to be occupied by a business that meets the current zoning code. She brought up another available location, pointing out that it has a back entrance and hoped it could work for these businesses.

President Senak asked how long the space had been vacant. February 1st was the vacancy date.

President Senak asked if the Alliance was more concerned about tax revenue or that more retail draws more people to shop. Ms. Lemme replied with the concerns of the Alliance.

Patty Cavanagh, resident, gave her perspective about the petitioned location not being the best retail option for an outside retailer. She felt that the real opportunity was in the "family" connection that these two businesses have to other businesses in the downtown area, and that this would result in an increase of patrons for all. She urged the Board to approve the variance.

Christina Samatas, business owner of Park & Oak, stated that her children were all tutored by Ms. McDevitt and that she should be trusted to keep her promises about the business and that Ms. McDevitt would build something beautiful. She also felt the space was challenging for a retail tenant.

Sara Huels, resident, gave her thought on having a tutoring business in the downtown area and how it would encourage parents, from here and other cities, to hang out in the CBD while their children are being tutored.

Trustee Kalinich asked Trustee Thompson if he was at the Planning Commission meeting when this was approved. Trustee Thompson replied yes and felt the special use had been discussed at great length.

Trustee Christiansen said that other special use applicants have said they were going to have retail and then did not. She wanted to know if the special use permit could be approved with conditions for retail. Ms. Samatas said that there is a lot of open retail space in the downtown area and the location should be allowed to fill this particular open space.

Trustee Thompson said he was conflicted on this issue and he explained both sides of his thinking. He felt that small businesses like this should be incubated and encouraged to grow. He supported approval of the special use permit and urged others to vote the same.

Trustee Simon replied to Trustee Thompson that she was also conflicted, being sensitive to the Alliance and the exiting code. She would be in favor of approving with retail expansion conditions. She hoped for a win-win for everyone involved. President Senak asked what the condition would be. Trustee Simon thought it could be a percentage growth for retail over 3 years.

Trustee Kalinich asked Ms. McDevitt about pick up and drop off of children for tutoring and what her plan would be. Ms. McDevitt replied that dropping at the door with an adult would be required.

Trustee Fasules was concerned about the alley being so close to this location and thought that perhaps Economic Development Coordinator Hannah and Alliance representative Lemme could talk to the owner of the other location to see if that location works, as he finds it more appropriate for pick-up and drop-off. He added his concern about granting a special use and taking up retail space. Ms. McDevitt expressed her disinterest in the other location.

Trustee Christiansen asked about condition #2 in the proposal and if a retail percentage requirement was added, would it be adequate to cover the retail aspect. Trustee Gould did not feel this would help this situation. She added that she was excited about both businesses being located in the Village, but the retail zone needs to be kept retail in accordance with the Comprehensive Plan. She also felt that too many special use permits had already been issued during the past 2-3 years.

Ms. McDevitt asked if she would be approved as the retail if her tutoring business was a minor part of the Brainy Day Box retail. Assistant Village Manager/ Community Development Director Rodman replied a special use would still be required and explained the reasons. Ms. DeRoo added comments about the evening hours that she hoped would be realized in the future.

Trustee Thompson commented on the changing face of commerce and that innovation, creativity, and retail would excite people, adding that thinking a little differently about retail might be the approach to take. Trustee Gould agreed that retail is changing but still felt that there is a market for small independent retail shopkeepers.

Trustee Kalinich stated her biggest concern was the pick-up/drop-off issue and how to regulate it without involving the police and other agencies. Ms. McDevitt responded by saying that she is stern with her parents and that she would not allow it to become a problem.

President Senak said that the public safety issue matters but the loss of retail space is a real concern for the downtown area and addressed the special use permit approval trend. He proposed that perhaps services could be taxed to make up the loss of revenue but was not sure the Village could impose such a tax.

H. 641 Lake - Construction Necessitated Variations (Assistant Village Manager/Community Development Director Rodman) (Trustee Gould)

RESULTS:	**Approved [6 to 0] VOTE WAS TO DENY THE VARIATION**
MOVER:	**Trustee Fasules**
SECONDER:	**Trustee Simon**
AYES:	**Fasules, Simon, Christiansen, Gould, Kalinich, Thompson**
NAYS:	

1) Motion to approve Ordinance No. 8000, An Ordinance approving three Construction Necessitated Zoning Variations to Allow a "Deck and Fence" on the Property located at 641 Lake Road

Assistant Village Manager/Community Development Director Rodman presented the issues surrounding the construction at the property. No permit was issued prior to construction and she reviewed and explained the timeline of events, including action taken by the Zoning Board of Appeal, and the reasons for their findings. The ZBA asked if there was a compromise that could be reached. The petitioner's plans were revised to reflect the compromise agreed to by the involved parties.

Attorney Mathews pointed out that the compromise plans were a new request and should be treated differently than the original variance submitted.

Trustee Thompson wanted to know why it didn't go back to the ZBA once the compromise plans were agreed upon by the involved parties. Assistant Village Manager/Community Development Director Rodman replied that the Board needed to vote to send it back to the ZBA, if desired.

Monica Ferrer, the petitioner, acknowledgement making a mistake by starting construction without a permit and that she was earnestly trying to follow the rules now and wanted to find a way to finish the construction at her home. She explained the uniqueness of the property and gave some history in dealing with the ZBA as far as creating a compromise between all property owners. She then reviewed the compromise plan that has been submitted for approval.

Trustee Kalinich asked if there was any landscaping planned for around the deck. Ms. Ferrer replied that the compromise plan allows for landscaping and explained details of the planting.

Trustee Kalinich asked if there were any regulations for landscaping and fencing. Assistant Village Manager/Community Development Director Rodman replied that there are no requirements.

Trustee Simon asked what the difference between the original patio was compared to the modified plan. Assistant Village Manager/Community Development Director Rodman responded.

Trustee Fasules asked about building a deck in an area on the property that did not require a variance. Assistant Village Manager/Community Development Director Rodman replied.

Trustee Thompson asked to see the partial construction that was stopped when the original permit was actually requested. Discussion ensued about the tree on the property line.

Trustee Simon wanted clarification regarding a fence on the property in the photo.

Attorney Mathews reiterated that the deck in the photos is the original plan and that it will be torn down no matter what is decided.

Trustee Gould asked if ZBA found a hardship or unique circumstance. Assistant Village Manager/Community Development Director Rodman replied there was not any found.

Trustee Kalinich asked about any storm water issues. Assistant Village Manager/Community Development Director Rodman replied that would be addressed at a later date, when the current issues were resolved.

Trustee Kalinich asked about the compromise plan and if a whole new variance application would need to go to the ZBA. Assistant Village Manager/Community Development Director Rodman replied.

Trustee Fasules suggested that the petitioner work with staff to build a deck within the Village Code.

President Senak asked about the contractor and what they had said about needing a permit. The petitioner replied that the contractor did not inform her that a permit was needed.

Eric Oesterle, adjacent neighbor at 645 Lake, gave his thoughts on the state of the project and required permitting. His desire is to resolve this and get the construction finished.

Trustee Simon asked if the compromise was ideal for Mr. Oesterle. He replied that a compromise is never ideal but he wanted the construction to be finished.

Trustee Kalinich asked Mr. Oesterle about his driveway. He replied that it is not standard and that at the tree it is probably about 30 feet wide.

Trustee Kalinich wanted to know why the petitioner was not considering a deck in the part of her yard that would not require a variance. Ms. Ferrer replied. Trustee Kalinich then asked for clarification on permitting the alternate location for a code-conforming deck. Assistant Village Manager/Community Development Director Rodman replied.

Trustee Thompson asked why the petitioner needed a deck at this location of her house when it already has a lot of outdoor space currently. Ms. Ferrer replied that the dining room was on that side of the house and they wanted to extend the outdoor dining possibility. Discussion continued about the hopes for the deck usage.

Trustee Gould circled back to the desire for dining room access and wanted to know if there was an existing exterior door. Ms. Ferrer replied that a door had already been installed. Discussion of access continued.

Attorney Mathews didn't think there was a condition that can be applied to work with the Village staff to execute the modified plan. Village Manager Franz asked to see the changes between the original vs. the compromise plan. Assistant Village Manager/Community Development Director Rodman replied.

President Senak asked if the initial plan was being withdrawn. The petitioner replied yes.

Village Manager Franz pointed out that sending this back to the ZBA will extend the timeline for the neighbor.

Trustee Thompson asked if the ZBA approved the compromise plan, would the Board deny it anyway. Trustee Christiansen stated she would not approve the compromise plan because real estate changes could affect future owners. Trustee Simon expressed her concern for the neighbor.

Trustee Kalinich asked about the setback lot. Assistant Village Manager/Community Development Director Rodman replied.

Trustee Gould reiterated that she did not see the hardship and that there was room on the property for a deck that would meet code.

There was a motion by Trustee Fasules, seconded by Trustee Kalinich, to send this request back to the ZBA. After discussion that the Board would still vote to deny the variance, the motion was withdrawn.

I. 2024 Utility and Roadway Improvements Project (Professional Engineer Daubert) (Trustee Simon)

RESULTS:	**APPROVED [6 to 0]**
MOVER:	**Trustee Simon**
SECONDER:	**Trustee Kalinich**
AYES:	**Simon, Kalinich, Christiansen, Fasules, Gould, Thompson**
NAYS:	

1) Motion to authorize the Village Manager to execute a contract with John Neri Construction Company, Inc. of Addison, Illinois for construction of the 2024 Utility and Roadway Improvements Project in the amount of $13,148,961 to be expensed to the Capital Projects and Water & Sanitary Sewer Funds

Village Engineer Daubert presented the project, reviewing the scope of work to be contracted and executed. He compared the bid results and gave additional information regarding the contractors being considered. A breakdown of the recommended funding was reviewed.

President Senak asked about the budget numbers for Glenbard Wastewater Authority and if this cost would be the responsibility of the GWA. Village Engineer Daubert replied.

Trustee Thompson asked about the reconstruction of Bemis and the improvement of water issues, as well as addressing the truck traffic.

Trustee Christiansen thanked staff in their work getting the train station issue worked out.

RESULTS:	**APPROVED [6 to 0]**
MOVER:	**Trustee Simon**
SECONDER:	**Trustee Christiansen**
AYES:	**Simon, Christiansen, Fasules, Gould, Kalinich, Thompson**
NAYS:	

2) Motion to authorize the Village Manager to execute an agreement with V3 Companies of Woodridge, Illinois, for construction engineering services for the 2024 Utility and Roadway Improvements Project in the not-to-exceed amount of $712,242 to be expensed to the Capital Projects and Water & Sanitary Sewer Funds

J. Reminders

1) Village Board Workshop, Monday, March 18, 2024 at 7 pm
2) No Village Board Meeting on Monday, March 25, 2024
3) Village Board Meeting on Monday, April 8, 2024 at 7 pm

K. Adjourn – 9:56P.M.

Mover: Trustee Fasules; Second: Trustee Gould. Unanimous vote to adjourn.
