- 1) Supporting Our IDD Community

The Glen Ellyn Community Relations Commission invites residents to take part in a meaningful community conversation with advocates from the IDD (Intellectual and Developmental Disabilities) community. This open forum will be an opportunity to listen, learn, and share perspectives on the experiences, challenges, and needs of neighbors within this important segment of our community.

By coming together, the Commission hopes to better understand how the Village can continue to grow in ways that are inclusive, supportive, and responsive to all.

Everyone is welcome to attend and participate.
